Doublewide Bar in Dallas openly harbors neo-nazi scum

September 23, 2016September 23, 2016 • [antifadallas](#)

Late Thursday night one of our comrades was enjoying an evening at Doublewide Bar in Dallas, until he noticed some human garbage in the bar. They immediately alerted the staff asking why they allowed fascist neo nazis in their establishment. Instead of doing the right thing, they threw our comrade out.

Truly a fine example of the master race

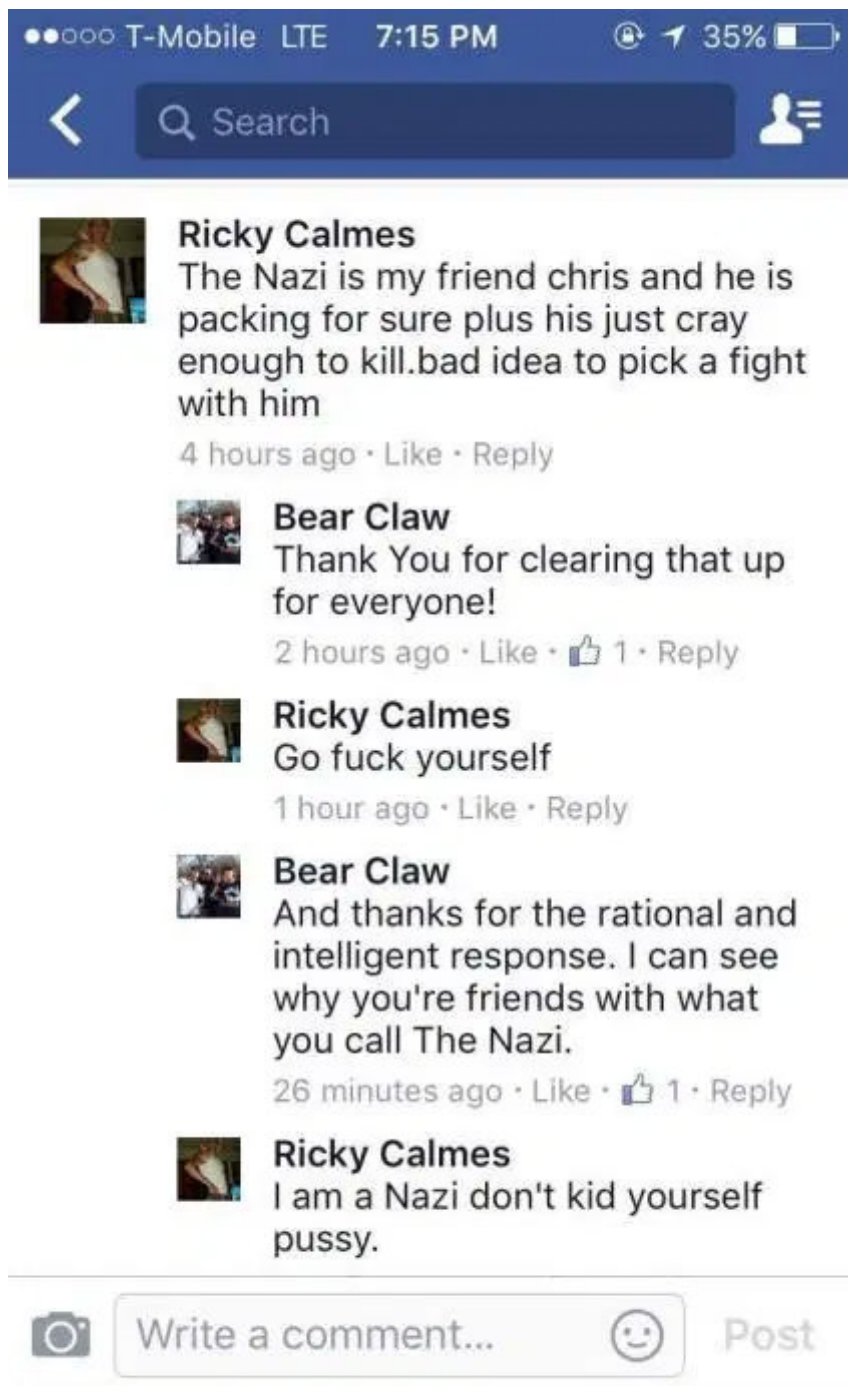

This, following the fascist propaganda in Deep Ellum, is a disturbing trend. That we organize against. Businesses complicit in harboring nazis will soon learn that it is not “good business”.

SS symbols, iron crosses and the Circle 13- symbol of the Aryan Circle prison gang (a=1, c=3). But according to him he’s not racist cause, “...where’s the schhhwastika?!”

Nazi scum at Doublewide Bar in Dallas

To counter Doublewide bar’s claims that, “he totally isn’t a white supremacist!!!!11” I present his friend, and fellow Nazi, Ricky Calms:

So not only is the fascist in question a Nazi, he's "cray enough to kill." It's a sad day when a local business sides with the white supremacists.

UPDATE

Doublewide management is in total damage control mode, saying that the drunk youths made a list of demands that include "free drinks". Too bad for them, our comrades reached out and penned this clear letter with only one demand: adopt a dress code that refuses entry for anyone sporting hateful imagery. Which, in our opinion, is getting out of this mess pretty easily.

To the owners and employees of Double Wide:

It has become painfully apparent that patrons of your bar are permitted to openly express themselves with symbols of hate. This is unacceptable. While we recognize the right of a business to be free of disruption and violence, that an individual was allowed entry at all is deplorable. This is not the only instance of racism at your institution that has been brought to our attention in light of this. Many of our comrades, mostly people of color and/or from the LGBTQ community, have been treated as less than by your establishment. This is unacceptable.

We implore you to adopt a dress code that refuses entry for anyone sporting hateful imagery. This is not a tall task.

Until then, the Dallas ANTIFA community will work to ensure that the name Double Wide is recognized as a supporter of hatred and insensitivity. Like our comrades in Brooklyn did with Black Bear Bar, supporting Neo-Nazis will not go unnoticed. And we are certain to ensure that Double Wide will be under a microscope for a long time in regard to any sort of discriminatory behavior.

Awaiting a response,

Dallas ANTIFA
